Part

# Leave of Absence

Motivating  
Part

# Power Distance

Power Distance

Demotivating  
Part

# Physiological Motivation

Physiologically  
motivated  
scene

# CONCLUSION

In conclusion, leveraging motivation within an organizational culture is crucial for employee engagement and productivity. By applying principles from psychological theories, organizations can create an environment where employees feel valued, empowered, and motivated to contribute their best. This fosters success and growth for both individuals and organizations alike.

THANK YOU!
